Today we're announcing a new Premier program called PremierPlus.

# Premier+ Program

- Premier Newsletters from President Mike Kneebone
- Fast Ride Verification
- IBA Certification Team eligibility
- Advanced notice and sign up for IBA events
- Premier Member-Only Ride List
- Online access to the IBA Ride Database advanced features
- Premier Team quick response to questions
- **One year coupon for Spotwalla**

A one year coupon for Spotwalla, including Unlimited storage limited to no more than 2 devices on any one day

# Premier Programs

- Premier Program-- \$40 per year
- Premier+ Program--\$50 per year

You'll see that the added cost for Premier+ is less than half of what you would pay if you kept the old Premier membership and paid for Spotwalla separately.

How can we do this?

Here's how: Spotwalla makes the job of verifying your rides so much easier for your volunteer verifiers; So the IBA will subsidize your remaining Spotwalla usage fee for no more than 2 devices on any day.

You may sign up for Premier+ at your next Premier membership renewal. In the meantime, continue to use Spotwalla under the current payment arrangement.
